Practice on paper first. The design is etched onto the wood so no taping and measuring. Just start to paint! A sealer goes over the paint and a stain goes over it and then is rubbed off. And VOILA! Your own barn quilt square that can be used indoors or out. Perfect for a porch, potting shed or on a shelf indoors. Fun and easy for all ages! All supplies are included.

The pace of the class is steady but never rushed allowing students to do as much or as little as suits their needs. Alignment and modifications are emphasized. Accessible variations are provided for those who need more challenge. Seated meditation and yogic breathing are part of most classes. **SUPPLIES REQUIRED:** Yoga mat; cotton or wool blanket. Optional: yoga block; strap **NOTE: No class MON 10/29, 11/5; TUES 11/27;**

Tai Chi/Qigong/Meditation Join Kathy Levac RN MS for easy Tai Chi Qigong movements to maximize self healing and preventive health. Tai Chi and Qigong are ancient practices that cultivate the Qi or Chi (chee) -- life energy that flows through the body's energy pathways. Class includes movement, deep breathing, focusing, self massage, and guided simple meditation. **SUPPLIES REQUIRED:** Optional: Yoga mat

Vinyasa Flow Yoga "Vinyasa" means "breath-synchronized movement" or moving from one pose to the next on an inhale or an exhale. This class offers basic yoga postures in a flowing sequence leading into balance poses and relaxing stretches. Vinyasa has both mental and physical benefits. Physically, the flowing portion expels toxins and re-energizes the body. Mentally, the synchronized breathing relaxes the mind and helps to release any blockage of energy flow throughout the body. If you like to focus on the power of breathing and flowing movement through poses, you will enjoy Vinyasa. Prior Yoga experience is helpful but not required. **SUPPLIES REQUIRED:** Yoga mat; Optional: Yoga block; Yoga strap; blanket. **NOTE: No class MARSHFIELD FRI 11/23; STRATFORD W 10/24**

Yoga for Vitality Join Phil, a Yoga Alliance Teacher, and learn to grow/preserve vitality while aligning yoga with best current methods. A yoga practice can cultivate positive body awareness, promote functional mobility, quiet the mind and calm the nervous system. Class includes quiet sitting to draw awareness inward, pre-yoga exercises to activate specific muscle groups, a warm-up flow of poses, traditional standing, seated and prone poses that are held long enough to achieve benefit. **SUPPLIES REQUIRED:** Yoga mat; Optional: Yoga block; strap; cotton or wool blanket. **NOTE: No class 10/4, 11/1, 11/22**

Yogatone Cathy combines the classic principles of yoga with light hand weights. The addition of weights to a yoga program has fantastic benefits for those with low bone density conditions such as osteoporosis. Weight-bearing exercises can help in growing denser and stronger bones, over time. Yoga increases flexibility and mobility of the joints. The added weights increase the resistance of the exercise to help improve muscle tone and strength. Yogatone offers the best of both exercises in one session. The outcome is great body tone, longer leaner sculpted muscles, and extra flexibility. **SUPPLIES REQUIRED:** Yoga Mat; Hand weights (your choice of weight); Water.
